13 August 2005
Date

HONORABLE COMMISSIONER OF PATENTS

SIR:

In the Office Action of 18 May 2005 ("Office Action"), the Examiner:

1. Rejected claims 1, 2, 10, 11, 19 and 21-23 under 35 U.S.C. § 102 (b) as being anticipated by Landfield, *et al.*, U.S. Patent No. 5,632,011 ("Landfield"), which rejection is hereinafter respectfully traversed;
2. Rejected claim 20 under 35 U.S.C. § 103 (a) as being unpatentable over Nessett, *et al.*, U.S. Patent No. 5,968,176 ("Nessett"), in view of Sheldon, which rejection is hereinafter also respectfully traversed; and
3. Objected to claims 3-9 and 12-18 as being dependent on a rejected base claim, but indicated that such claims would be allowable if rewritten in independent form to include all of the limitations of the respective base claims and any intervening claims.

Amendment

Applicants hereby request entry of the following amendments.
